

Name _____

Eating Pies

Chef Emilee baked a cherry pie, an apple pie, and a blueberry pie. All the pies are the same size. Alexis eats one-sixth of the cherry pie, one-half of the apple pie, and three-sixths of the blueberry pie. Francisco eats four-sixths of the cherry pie, three-sixths of the apple pie, and one-third of the blueberry pie. Francisco says that he ate the most pie. Alexis says that she ate the most pie. Who is correct? **State your claim, provide evidence and a warrant.**
